CHIEF SECRETARY'S OFFICE,

19th May, 1910.

SIR,

I have to acknowledge the receipt of your letter of the 17th instant, forwarding, for submission to His Excellency the Lord Lieutenant, the Seventy-second Annual Report of the Loan Fund Board of Ireland, 1909.

I am,

Sir,

Your obedient Servant,

(Signed) L. C. DOWDALL.

The Secretary,

Loan Fund Board of Ireland,

Dublin.

SEVENTY-SECOND ANNUAL REPORT

OF THE

LOAN FUND BOARD OF IRELAND.

The Loan Fund Board of Ireland submit this, their Seventy-Second Annual Report, for presentation to both Houses of Parliament.

The statements set out in Appendices 1 and 2 have been compiled from Abstracts furnished to the Board since 1st January, 1910, in connection with 51 Societies.

The Capital on 31st December, 1909, of these Societies was £91,506, and the circulation of this Capital in 1909 amounted to £200,481.

During the year the Board issued Certificates for new Loan Fund Societies at Drumquin, Co. Tyrone, and Irvinestown, Co. Fermanagh.

The Board hold a sum of £591 6s. 5d., which is available for Public Loan Fund purposes at Loughrea, or some other place in Co. Galway. It is anticipated that, with the aid of this money, a new Loan Fund Society shall be soon in operation in that county.

In consequence of local irregularities in management, and for other reasons, the Board, in the years 1896 and 1897, ordered that several Societies in Ulster should cease to issue loans, and Receivers were accordingly appointed to collect as much as possible of the debts still due to these Societies.

To facilitate such collection, two special Statutes were passed, viz. — 43 and 64 Vic., c. 25, and 6 Ed. 7, c. 23; and reports recently submitted to the Board by the Loan Fund Inspector indicate that, as regards several of these Societies, this collection is nearly completed. There is evidence that the withdrawal, in the circumstances shown above, of Loan Fund accommodation was a source of much inconvenience to very many small farmers, dealers, and others who had hitherto benefited by the system administered by the Loan Fund Board. The Board have, therefore, reason to believe that they will be asked to allow Loan Fund Societies, under carefully-framed rules and efficient management, to be established in suitable centres throughout the North of Ireland, during the current year.

This makes it imperative that the Board should press upon the attention of the Irish Government, the necessity that exists for securing an annual income sufficient to enable the Board to discharge with efficiency the responsible duties entrusted to them.

Owing to exceptional causes, the income of the Board for several years past has been quite insufficient to meet their necessary expenditure; and, as a result,

they have had to trench upon their small invested Capital—although that Capital has been an important source of their annual income.

The Board respectfully point out that if they are to continue to accept responsibility for the efficient discharge of the duties entrusted to them, under the laws relating to Loan Fund Societies in Ireland, the provision of adequate funds, on the basis of their present expenditure, cannot be postponed. As pointed out by them in their Report for 1908—Cd. 4650 (1909)—it is necessary that the income of the Board shall be supplemented by a grant from Public Funds. In thus asking for adequate financial support, the Board affirmed the urgency of a reform for which they had shown the need in previous Reports to Parliament—*e.g.*, Cd. 4004 (1908), and Cd. 8920 (1898)—and they are now compelled again to take steps to bring the matter under the immediate notice of the Irish Government.

With this Report six Appendices are submitted.
